Credit: Provided by Florida Department of Citrus

Dear Friends,

This will be an emotional season for us as well as the entire Hollieanna Groves community. We have made the difficult decision not to open our store in Maitland. The good news is we'll be shipping your favorite tree-ripened citrus gifts through www.hollieanna.com, and accepting phone and mail orders with a trusted shipping partner.

This is an announcement whose time has come. The many challenges the citrus industry brings coupled with economic hurdles, our ages and the desire to spend more time with family has brought us to this milestone.

We appreciate your understanding and continued support. Since 1954, our goal has been, and still is, to provide you and your loved ones with the finest citrus fruit available so PLEASE place your orders! You have our family's assurance that you'll receive fresh from the grove goodness in all your gifts.

The Lingle Family!

PS: First shipping date of the season is November 14th. Please order by December 12th for Christmas & Hanukkah delivery.

A lot of sweet with just a hint of tang is what makes the Satsuma Mandarin such a show-stopper and quite possibly your new favorite variety. Satsumas are all but seedless with a loose skin that all but peels itself. An exciting rush of sweetness awaits! Available mid-November through December.
